Accuplacer Placement Test Registration Form

Any student admitted into a program at Manchester Community College will be required to take placement tests in Reading, Writing and Mathematics prior to registering for classes. The goal of placement testing is to identify areas of strength and weakness so that appropriate course placements can be made for Math and English, or for courses impacted by Math, English, and Reading competencies. Non-matriculated students may be required to take the Accuplacer exam.

While no specific preparation is necessary, you may want to refresh your memory in particular areas you feel could use a little attention. For brushing up on math skills, the website www.khanacademy.org is recommended; this is a self-paced, instructional site that many students find quite helpful. For English (Reading Comprehension, Sentence Skills and writing), the online sample questions for students are located at accuplacer.collegeboard.org/students.

No appointment is needed to take Accuplacer; simply follow the instructions below, take the test, and we will make sure everything gets done so you make a smooth transition into your life as a student at Manchester Community College!

Manchester Community College's placement policy may be waived, in full or part, for those individuals who have met one or more of the following conditions.

1. Completed a computer-based placement test (CPT) within the past three years at Manchester Community College or another accredited postsecondary institution.
2. Transferred to Manchester Community College a Math or English course from another accredited institution.
3. Submit qualifying SAT scores to the Academic Success Center.

Students can retake all or part of the Accuplacer placement test after one (1) month after a thorough review of the subject matter being tested.

If you are a student with a disability and have documentation that supports the need for special assistance, please notify the Coordinator for Disability Services in the Academic Success Center.

THE ACCUPLACER TEST MAY BE TAKEN ON A DROP-IN BASIS. PLEASE ALLOW APPROXIMATELY TWO (2) HOURS TO COMPLETE THE TEST. (See below for scheduled start times)
