Commencement Speaker

Maureen Beauregard
President and CEO of Easterseals NH

Maureen Beauregard has served as President and CEO of Easterseals NH since 2019.

In 1991, Maureen founded Families in Transition (FIT)-New Hampshire, which grew under her leadership to be the state's largest homes services organization. Her tenure at FIT included day-to-day leadership, overseeing multiple mergers and acquisitions, and creating programs to help families and individuals in need.

Since joining Easterseals she has steered the organization through the COVID-19 pandemic and a strategic planning process, and has spearheaded several large-scale infrastructure projects that will benefit Easterseals clients and their families.

Maureen earned her Bachelor's of Science Degree in Child and Family Studies from the University of New Hampshire and will complete her Master's Degree in Public Policy from the University of New Hampshire's Carsey School of Public Policy this May. She is also a graduate of Leadership New Hampshire. Maureen has received numerous awards, including a 2021 Business Excellence award and inclusion in the 2021 New Hampshire 200, both awarded by the New Hampshire Business Review. She was also named Greater Manchester Chamber of Commerce's Citizen of the Year and received both the Southern New Hampshire University's Loeffler Award and the University of New Hampshire's Granite State Award. Under her leadership, Families in Transition was named Business NH Magazine's 2013 Nonprofit of the Year.
