Dear MCC Community,

The last few weeks have had a devastating impact on many of our students, faculty, staff, families, and neighbors. Although we are unable to be together on campus, we want you to know that we are here to provide continued support during this difficult time.

To assist you, we have compiled a list of New Hampshire and Federal resources that may be available to you.

Stay safe!

Manchester Community College

Additional Resources – New Hampshire and Federal

Federal Assistance

The Federal government has passed a \$2 trillion stimulus package to help mitigate the financial damage caused by the coronavirus. Under the plan, many people will receive direct payments from the federal government. Individuals who earn less than \$75,000 a year can expect a check for \$1,200. Married filers who jointly earned under \$150,000 will receive \$2,400. Each child 16 or younger will add an additional \$500 to the payment.

Individuals and households who earned more than those levels will receive less, with direct payments phased out for those who earned more than \$99,000, or \$198,000 as a couple. Income levels will be based on your 2019 tax filing, though if you haven't filed yet, your 2018 filing will serve as the income level. A Social Security number is required for most recipients.

Payments may happen in about three weeks for those with a current bank account on file with the IRS. Paper checks could take far longer to process and deliver to the address that the IRS has on file. If the IRS does not have your current mailing address on file, you need to update it in order to receive the paper check. <https://www.irs.gov/pub/irs-pdf/f8822.pdf>

NH Governor Emergency Orders

Emergency Order #3

All providers of electric, gas, water, telephone, cable, VOIP, internet service, and deliverable fuel services will be prohibited from disconnecting or discontinuing service for non-payments for the duration of the State of Emergency

<https://www.governor.nh.gov/news-media/emergency-orders/documents/emergency-order-3.pdf>

Emergency Order #4

Landlords will not be allowed to start eviction proceedings for those unable to pay due to their financial situations. To do so would be against the law. All judicial and non-judicial foreclosure actions will also be prohibited during the state of emergency

<https://www.governor.nh.gov/news-media/emergency-orders/documents/emergency-order-4.pdf>

Emergency Order #5

Individuals who are unable to work or who have reduced hours due to the COVID-19 pandemic will have immediate access to unemployment benefits. Anyone in the following situations will now be eligible for state unemployment

<https://www.governor.nh.gov/news-media/emergency-orders/documents/emergency-order-5.pdf>

NH Unemployment

Claims have been fast-tracked and many of the prior requirements for assistance have been suspended.

<https://www.nhes.nh.gov/>

While the state's unemployment program is capped at \$427 per week for approved recipients, the federal stimulus package is adding an additional \$600 per week for up to the first four months for those who qualify. Federal benefits would last for up to 39 weeks. Gig workers, such as Uber drivers or certain delivery drivers, as well as artists and other workers considered self-employed are covered under the package.
