

RUNNING START Classroom Visitation Report

MCC Course Name: _____

High School Faculty Partner Name: _____

High School site: _____ Date of Visit: _____

MCC Faculty Partner Name: _____

Starting time of Visit: _____ Ending time of Visit: _____ Class topic: _____

Please rate each category with the following rating system:

1 = Excellent 2 = Good 3 = Fair 4 = Needs Improvement 5 = Not Applicable

	Rating
1. Running Start-enrolled students are aware that they are enrolled in a MCC course and understand the expectations of the course.	
2. The high school partner is knowledgeable and current in the subject area.	
3. The students are on target to complete the college course objectives by the end of the semester.	
4. The students are using the college textbook appropriately.	
5. The necessary supplemental materials are provided to the students.	
6. The classroom has the necessary and up-dated equipment required to accomplish course objectives.	
7. Assessments accurately determine if the students are accomplishing course objectives.	
8. Sample student work was reviewed and it reflects college-level accomplishment.	
9. The high school partner is accomplishing the college course objectives.	

Please add any additional information that indicates MCC course objectives and competencies are being accomplished at the high school site.
