***Londonderry High School**

A+/Prep-Hardware
A+/Prep-Software
Accounting & Financial Reporting I & II
Finite Math
Calculus I
C++ Programming
College Physics I
Foundations of Education
Human Anatomy & Physiology I & II
JAVA Programming
Macroeconomics
Management
Principles of Marketing
Personal Financial Management

***Manchester Central High School**

Accounting & Financial Reporting I & II
Calculus I
College Biology I & II
College Composition
College Physics I
Computer Illustration
Drawing I
Finite Math
General Chemistry I and II
Microsoft Computer Applications
Probability & Statistics
Principles of Marketing

***Manchester Memorial High School**

American Sign Language I
Calculus I
College Composition
Digital Imaging
Finite Math
General Chemistry I and II
Human Anatomy & Physiology I
Management
Microsoft Computer Applications
Page Layout & Design
Principles of Marketing
Probability & Statistics

***Manchester School of Technology**

College Composition I
Introduction to Automotive Service
Introduction to Business
Medical Terminology
Principles of Marketing
Calculus I

11

***Manchester West High School**

Calculus I
College Composition I
Finite Math
Microsoft Computer Applications

Milford High School

CAD/CAM for Manufacturing
Computer Illustration
Digital Imaging
Engineering Print Reading
Intro Engineering Design & Solid Modeling
Page Layout & Design
Robotic Design

Oyster River High School

Early Childhood Growth & Development

Pelham High School

Personal Financial Management

***Pinkerton Academy**

Accounting & Financial Reporting I and II
Calculus I
Child and Adolescent Development
Electrical Fundamentals I
Essentials of Exercise Science
Foundations of Education
Intro to Automotive Service
Intro to Business
Intro to Python
Java Programming
Medical Terminology
Microsoft Computer Applications
Object Oriented Programming
Personal Financial Management
Principles of Marketing
Web Programming I

Portsmouth Career Tech Center

Fundamentals of Welding

Prospect Mt High School (Alton)

Robotic Design

Randolph Career Center (VT)

Introduction to Automotive Service

***Raymond High School**

Topics in Applied College Math

***Salem High School**

Accounting & Financial Reporting I & II
A+ Prep Hardware
A+ Prep Software
Business Law
Calculus I and II
Cold War, Topics in History
College Biology I and II
Digital Imaging
Finite Math
General Chemistry I and II
Intro to Automotive Service
Intro to Business
Management
Medical Terminology
Network Plus Preparation
Page Layout & Design
Principles of Marketing
Probability & Statistics
Topics in Applied College Math
Web Programming I

Seacoast School of Technology

Essentials of Exercise Science
Intro to Automotive Service
Inventor Fundamentals (CAD 220M)

Spaulding High School – RW Creteau RTC

Intro to Automotive Service

***Trinity High School**

Human Anatomy & Physiology I
Probability & Statistics

Winnacunnet High School (Hampton)

Android APPS Development
