So begins another school year, with the smell of books and pencil shavings in the air with a feeling of excitement and a new start. This year we begin PBL with many new events and fundraising ideas. Also, new is our officer team, and they are geared up for a successful year. Our President Diolienda Delizia, Vice President Jackie Champagne,

this year better than ever! Since this Chapter is newly formed there is much space for new talent to bring about a better tomorrow for not only Manchester Community College but also its students. ### **Diolienda Delizia**

**Position:** President

**Major:** Management / Marketing

**Tell Us About Yourself:** Well, in short, I have a passion for life, family, education, fun, success, food and Phi Beta Lambda. I love challenges and I stand up for what I believe in.

**What is your Goal for PBL this Year?** Our #1 focus is recruitment! We want to get the word out about PBL and have members from all different backgrounds and majors. The one thing people do not realize is that PBL isn't just for Business students! Leaders and leadership is needed in life regardless of what you're being educated in. So why and learn from the best? I say to the people reading this come attend our meetings and see for yourself what we have to offer.

upcoming events and am very excited for the many new ideas and sponsorships that will be coming our way.

I just want to touch on last year a little and past events. Last year was awesome I personally would like to thank Kennedy Rodriguez (President), Bryan Martineau (Vice President), Don Prieve (Secretary) and Steve DeFreest (Treasurer) for doing their best and helping us reach Nationals and for all they did during the semester. Not only do I want to thank the past officers but the dedicated members Allie Lutsk, Eric Michaud, and Diolienda Delizia. Thank you for a great year everyone and we hope to see you again this fall.
