Welcome Back...

By Jackie Champagne

This upcoming semester has many events, one such event is the regional competition on February fourth in Rhode Island. If some of you seasoned PBL members

Leaders held before the actual competition. This event was very inspirational and well worth the extra time that we spent last year in

Regional Competition

&
Poker Tournament
March 23rd

remember we attended this event last year and had a great time. At the time we didn't know what to expect but now we do and I hope that we can finally dominate some of the competition so we can go into nationals with confidence! Nationals will be held in Orlando, Florida this year. Just like last year there will be Institute for

Tennessee.

Another opportunity to gain some funds for our Nationals trip is our poker tournament on March 23rd. Last year this was a great event and I really hope that this year it's going to be monstrous so we really need all hands on deck for this event. If you are working ask for it off now!

This Month's Best Donation

...

WAL-MART

Wal-Mart has generously donated a flat screen TV to our club. We as a whole have decided to put it on craigslist to try to earn some profit off our donation. It was also made the decision to use the TV as a poker tournament prize if the TV doesn't sell on the internet.

We are ready to take Nationals by storm! We have the intelligence, heart and determination to make it happen. This year started a little slower than we would have liked because we maintained our club through the summer and attended and completed many events ourselves. After a much deserved break this October we are starting to really gear up this spring. We have had some new faces in our Monday meeting. I would like to say an official welcome to Haris Hodzic, Mike Armstrong, Shawn Maloney and a potential member Nicole DaPrato. Hopefully all the new recruits will see all the potential this fairly new

club has as the "older" crew already has.

To keep the momentum going when it comes to recruiting we have come up with the idea of a kick-off party to re-introduce us a powerhouse club here on campus. Here is a sample of our invite!
