**KickOff Party**

By Jackie Champagne

We had our first kickoff party on February 28th and it was a successful event. The quality of candidates was what we were looking for in new recruits, and successfully recruited three new members.

Our one and only Professor Magoon

From the members prospective:

In order to have a successful club one must have a dedicated Advisor, and Professor Magoon is just that.

Professor Magoon spends countless hours helping his student reach their full potential and goes above and beyond for Phi Beta Lambda chapter at Manchester Community College.

Professor, Thank you for all your positive energy, insight, encouragement, intelligence, and being someone all of us can rely on. Your words speak volumes to us and your leadership is second to none! You’re the best!

We had the privilege of Jim Dowding the past President of the New Hampshire Business Education Association (NHBEA) as one of our guest speakers. Jim spoke about what companies will be looking for in a professional and how to be better prepared for the unknown after College.

Heather Zocco, the Treasurer of the Phi Beta Lambda SNHU chapter, was our second guest speakers.

She spoke of how being a part of PBL has changed her life and outlooks in the business world, such as; the contacts she made, the leadership involved, and...
how awesome it has been as a PBL member.

What’s Your Poker Face Look Like? Phi Beta Lambda is in the final stages of planning our upcoming Poker Tournament.

The PBL Annual Poker Tournament will be held in the Manchester Community College Café on March 23, 2011 at 6pm.

Phi Beta Lambda is committed to doing our part in helping other organizations within our community that are in need.

So we’ve decided to donate a percentage of all poker tickets sold to the March of Dimes walk on May 1st at the SNHU campus! Help us help others and have fun doing it! PBL will be providing fresh food, drinks, and a fun atmosphere along with the tournament itself. Tickets are going fast, so don’t delay!
