Poker Tournament...

By Diolienda Delizia

On March 23rd the smell of French fries and cupcakes, as well as the sounds of poker chips hitting the tables took over the café.

The PBL annual poker tournament was very successful! By marketing

Our food and food service received rave reviews from the Wednesday night students and faculty. They loved our menu, fresh food, convenience, customer service, and most importantly, our low prices.

By Diolienda Delizia

Phi Beta Lambda's first state elections are being held at Manchester Community College on April 25th.

The Phi Beta Lambda chapters in New Hampshire are growing and are aware of the need for an official state chapter and state officers.

Lakes Region Community College has just started their chapter; Southern New Hampshire University, Nashua Community College, and Manchester Community College have been running their chapters for a few years,

and now we are taking part in PBL-NH history!

Our chapters are ready for the next big step and are excited for the opportunity to unify all chapters and reach high goals together.

All state positions are open to dues-paying members of Phi Beta Lambda. All you need is a will to succeed and some innovative PBL leadership skills to bring you to the top.

Let's get ready to rock out the vote for 2011-2012! The following positions for state

officers are open:

President

Vice President

Secretary

Treasurer
